**READING PARTNERS NEEDED**  
**For Elementary School Students!**

*Westport Heights Elementary has great news!*

*With help from The Wonder of Reading, a not-for-profit organization,  
 Westport Heights Elementary will train volunteers  
 to read one-on-one with students.*

As a community member, you are an integral part of this great news. We need your help. We are seeking volunteers to read one-on-one with students in the library. These struggling readers need guidance and friendship from someone like you!

An extensive three-hour training is provided at the school site to teach volunteers special reading techniques, such as oral reading strategies, reciprocal questioning, and retelling. After the training, we match each volunteer with one student, and they work together for the school year. Volunteers work with their students *one hour every week or every other week*. If you are interested, complete the following form. We will send you more information and notify you when we have set a training date.
